Reverend Father John Touloumes, *Proistamenos* / William J. Fiedler Jr., Cemetery Chairman

Cemetery Rules and Regulations

For

Holy Trinity Greek Orthodox Cemetery

Council Approved: February 18, 2023

GENERAL

1. The Greek Orthodox Community Holy Trinity Church of Pittsburgh, 985 Providence Boulevard, Pittsburgh, Pa. is the sole owner and titleholder of all land hereby known as the Cemetery. This land has been dedicated by our Church and it is intended that it be used, into perpetuity, as the final resting-place of our deceased loved ones.
2. Accordingly, the land has been surveyed and mapped to provide space for this purpose. Orthodox Christians and their non-Orthodox Christian spouses & family members may purchase the Right Of Burial in specified plots or graves. These rights shall be inviolate.
3. In the interest of uniformity and in the interest of maintaining the order and dignity of our cemetery, those who purchase the Right Of Burial in our cemetery are subject to the rules and regulations herein as approved by the Parish Council of the Community.
4. Reciprocity: Items in place, excluding plantings, that become non-conforming due to revisions to these rules will not require altering to come into compliance.

CANONICAL

1. Burials will adhere to the canons of the Greek Orthodox Church.
2. In accordance with the canonical regulations referred to above, the internment and burial of cremated individuals is strictly prohibited.

GRAVE LOTS

1. Lots: Location of grave lots has been surveyed and is shown on plans that are available in the Community office. See Plates A & B.
 - a. Areas available for single graves, double graves, triple graves and family plots of 6, 12 and 24 graves may be designated.
 - b. In addition, groups or societies may arrange with the committee to set aside an entire area for the exclusive use of their membership.
 - c. Vaults: Vaults are required in all graves.

GRAVE PRICES

1. The Right Of Burial is hereby defined as the right of an individual to be buried in a designated space and does not include the purchase of the physical land therein. Ownership of the land is retained by the Holy Trinity Greek Orthodox Community.
2. Prices are for the Right Of Burial in grave lot(s) and do not include opening and closing fees, memorial stones or any other markers. Contact Church Office for latest Right Of Burial prices.
3. Grave Openings: The physical opening of graves will only be performed by the Cemetery's approved Grave Contractor at a separate and approved cost.
4. Reserved Graves: Unpaid graves may not be "Reserved" or "Held" in the name of a family or family member. Families that have graves that are shown as "Reserved" or "Held" in old documents will be given first opportunity to purchase the Right Of Burial when spaces come into question.
4. Proof of Ownership: Deeds or receipts must be presented for verification of ownership of pre-bought Right Of Burials. The Cemetery cannot accept "word of mouth" as verification.
5. Resale of Rights: The Cemetery will repurchase, from the legal owner upon proof of ownership, the Deed to Right of Burial at the face value of the original purchase.

WINTER BURIALS

1. The Cemetery reserves the right to exercise the following restrictive actions during extended frigid temperatures, excessive accumulation of snow and ice and/or conditions that are unsafe for workers and family members to perform a burial.
2. In these extreme conditions, the Funeral Home will be required to hold the deceased at the Funeral Home until weather conditions improve and allows proper and safe burial.
3. If a Family is adamant that a burial take place, against recommendations of the Cemetery, additional fees for clearing snow and ice and breaking into frozen ground will be borne by the family. This option will be granted only if safe access conditions to the grave site are available for equipment.

MEMORIAL STONES AND MARKERS

1. Memorial Stones, Grave Markers and Monuments: Memorial markers must be built and erected according to the following specifications and with proper concrete foundations to support all stonework and markers.
 - a. Materials: Markers must be of stone or non-ferrous metal (i.e. bronze). The use of wood, ferrous metal, concrete or artificial stone of any kind is not permitted as permanent grave markers.
 - b. Content: Have an etched Christian symbol in a prominent position and will not have symbols or inscriptions inconsistent with Greek Orthodox Church doctrine.
 - c. Location:
 - Vertical Stone: Permitted at head of graves only. The vertical stone marker surcharge must be paid prior to stone erection. See Cemetery Rate sheet. (See Plate C)
 - Flush: At head of graves or when both a vertical and a flush marker exist, at the foot of grave and flush with the ground. (See Plate D)
 - No stone or marker is permitted to be erected on or extend onto graves where the Right-Of-Burial has not been purchased.
 - c. Vertical Marker Size:
 - Single Grave: Maximum of two (2) feet wide and two (2) feet high.
 - Double Graves: Maximum of four (4) feet wide and three (3) feet high.
 - Three Graves or larger: Maximum of six (6) feet wide and four (4) feet high.
 - d. Flush Markers Size: (See Plate E).
 - Single Grave: Maximum of thirty (30) inches wide and twenty-four (24) inches in depth.
 - Double Grave: Maximum of sixty-six (66) inches wide and twenty-four (24) inches in depth.
 - No "pillow" type stone or marker are permitted.
 - e. Special monuments will be permitted only if sufficient land is purchased to allow proper clearances and written approval is secured from the Cemetery Committee prior to erection.
 - f. All memorial stone or marker layout must be submitted to the Cemetery Chairman or Church Office for written approval prior to erection in the Cemetery.
 - g. Non-conformance: Stones or markers erected without approval and in non-conformance to the above regulations must be removed and corrected at the family's expense.

DECORATIONS

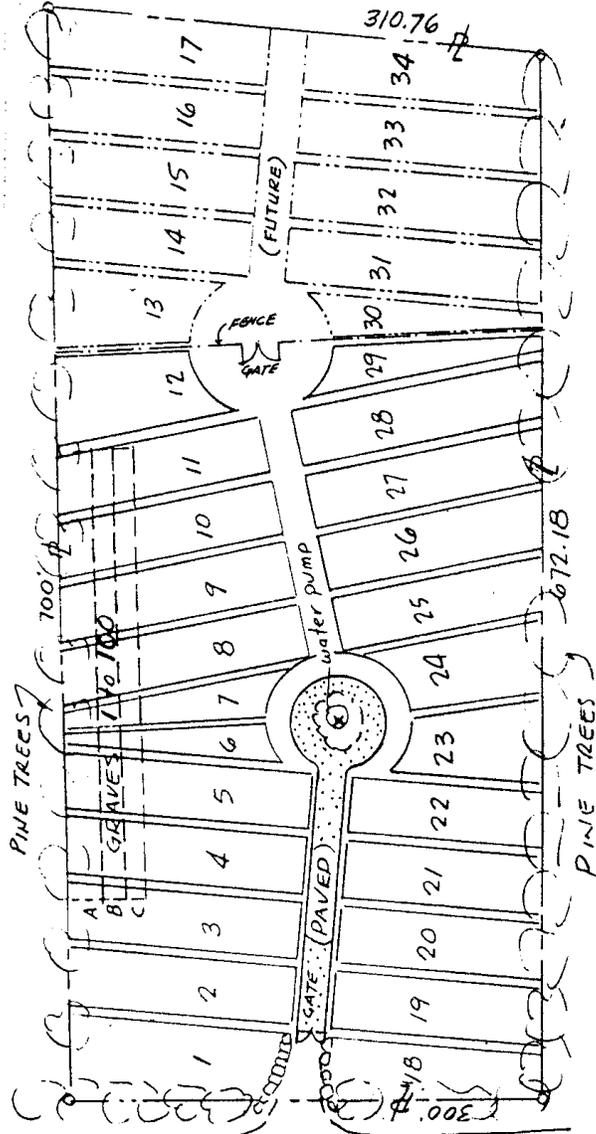

1. Perennial or annual flowers may be planted within one foot (12 inches) in front of the headstone and may not extend beyond the width of the headstone.
2. Continuously growing deciduous trees, evergreens or bushes are prohibited within gravesites.
3. Placement of urns, vases, wooden markers, ornaments, glass, chinaware, ceramics, plastic flowers, open top candles and wreaths are prohibited beyond one foot (12 inches) in front of memorial stones.
4. Vigil lights (candles) are permitted only if they are totally enclosed and have a top cover.
5. Spring and Summer decorations must be removed before October 1. Those left will be discarded.
6. Fall and Winter decorations must be removed before April 1. Those left will be discarded.
7. Non-conformance: Decorations placed in non-conformance to the above regulations must be removed and corrected at the family's expense. Items not corrected will be removed by the Cemetery at the family expense.

MAINTAINENCE OF CEMETERY AND GRAVES

1. Families of the interred are responsible for maintaining grass, headstones, markers and for restricting planting to within the designated area.
2. The Cemetery will provide topsoil, on-site, to permit proper seeding of graves by the owners or families. Only grass is permitted to cover the grave(s).
3. The Cemetery will be responsible for cutting the grass and for the overall appearance of the cemetery. Care will be exercised to avoid disturbing permitted plantings described above.
4. The Cemetery will not be responsible for the upkeep of headstones, markers, and stonework or held liable for damage due to vandalism, improper installation or weather deterioration.
5. Emergency corrective repairs required to prohibit further damage to stones, markers and adjacent graves will be performed by the Cemetery and costs billed to the family of the interred.
6. Rubbish, candles, wreaths, flowers and other materials must only be discarded in the provided rubbish bin.
7. Respect and do not disturb the property of others.

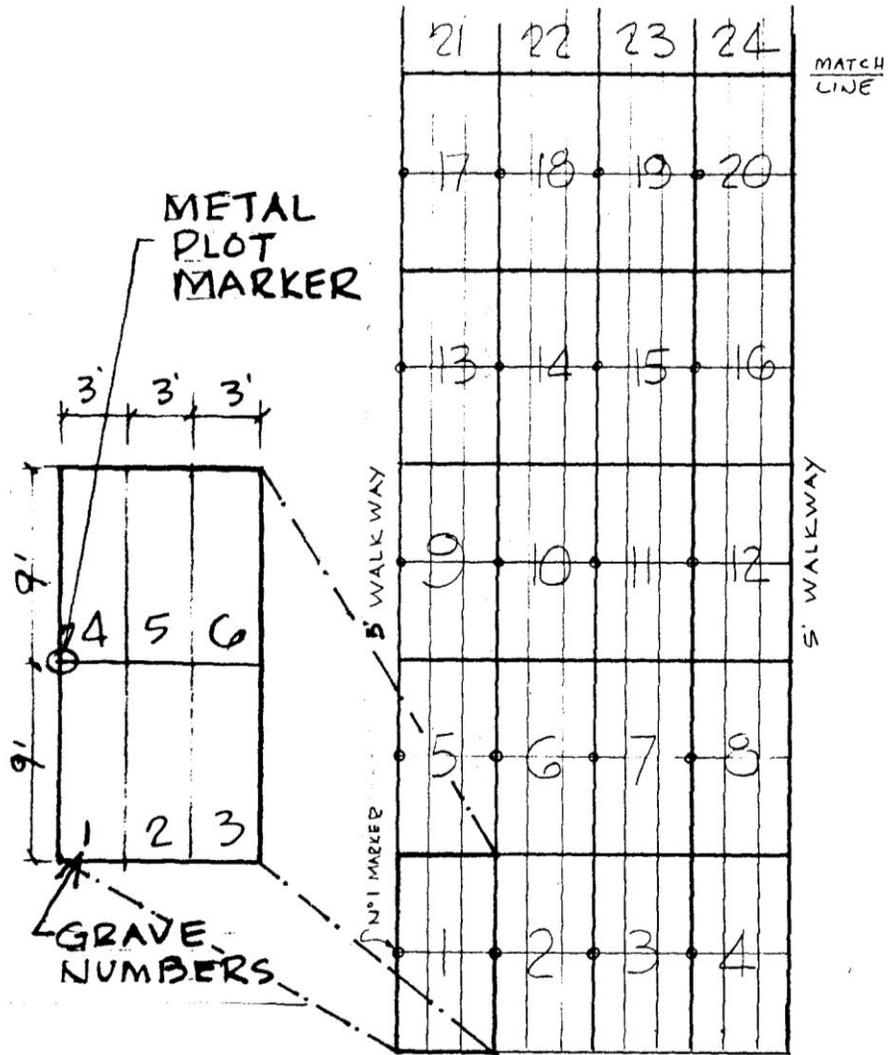

EXECUTIVE

1. The Cemetery Committee reserves the right to amend, repeal or expand these Rules and Regulations with the consent and approval of the Parish Council.
