## THE 2019 HOLY TRINITY MISSION TRIP FOR ADULTS & TEENS

# HELPING HOUSTON RECOVER

A hands-on, on-site way to put the love of the Gospel into action  
by helping those still devastated by Hurricane Harvey recover and rebuild.

### THE WORK OF IOCC

IOCC's Orthodox Home Build teams support long-term recovery after disasters, because communities affected by these catastrophes often face great need long after the crisis has passed. As a home build volunteer, you can help families rebuild! Work usually starts 6-12 months after a disaster, and IOCC teams sometimes keep coming back for years, depending on the need.

### ST. BERNARD PROJECT

The Saint Bernard Project (SBP) is helping to rebuild homes in many different neighborhoods across the Greater Houston area. SBP rebuilds for low-to-moderate income homeowners, placing a special focus on families with small children, the elderly, disabled persons, war veterans and the under-and uninsured. IOCC is partnering with SBP in its Houston Home Build teams in 2019.
